Gentlemen:

Reference is made to that certain letter dated April 20, 1978, from PULLMAN STANDARD DIVISION of PULLMAN INCORPORATED (hereinafter "Builder") to REX RAILWAYS, INC. (hereinafter "Rex"), which letter has been acknowledged and accepted by Rex and Rex-Noreco, Inc., pursuant to which Builder acknowledged receipt of Rex's telex order dated April 18, 1978, covering Two Hundred (200) 70-ton, 50'6" Box Cars in accordance with Builder's proposal dated April 13, 1978, and bidding specification No. 3722 dated September 15, 1977 (such letter of April 20, 1978, and all documents referred to therein being hereinafter referred to as the "Purchase Order").

Reference is further made to the Lease Agreement dated as of November 30, 1978 ("Lease Agreement") between Rex, as lessor, and Robert W. Meserve and Benjamin H. Lacy, as trustees of the property of the Boston and Maine Corporation, debtor, a Delaware corporation ("Lessee"), which is being assigned by Rex to you, as assignee (hereinafter "Assignee") by a separate instrument of assignment, pursuant to which Lease Agreement the Units referred to below will be leased to the Lessee.

In connection with the arrangements made between Rex and Assignee relating to certain of the Box Cars covered by the Purchase Order, namely the 101st through and including the 150th Box Cars delivered thereunder and more fully described in Schedule I hereto (such 50 Box Cars or any Cars which may be substituted therefor with the consent of the Assignee, hereinafter called the "Units"), it is hereby agreed as follows:

1. Rex hereby sells, assigns, transfers and sets over unto the Assignee all of Rex's right, title and interest in and to the Purchase Order, to the extent the same relate to the Units, including without limitation, in such assignment (a) the right upon valid tender by the Builder to purchase the Units pursuant to the Purchase Order, and the right to take title to such Units and to be named the

purchaser in the bill of sale to be delivered by the Builder for such Units pursuant to the Purchase Order, (b) all claims for damages in respect of such Units arising as a result of any default by the Builder under the Purchase Order, and (c) any and all rights of Rex to compel performance of the terms of the Purchase Order in respect of the Units. Nothing herein shall in any way limit or affect Rex's rights and interests under the Purchase Order relating to Box Cars other than the Units.

2. In consideration for Rex's assignment of the Units, but subject to the acceptance by the Lessee of the Units pursuant to the Lease, Assignee hereby assumes all of Rex's duties and obligations under the Purchase Order (but only as the same relate to the Units) including, without limitation, the obligation to pay to Builder the entire purchase price of the Units.

3. Anything herein contained to the contrary notwithstanding: (a) Rex shall at all times remain liable to the Builder under the Purchase Order to perform all the duties and obligations of the buyer thereunder to the same extent as if this Assignment had not been executed; and (b) the exercise by Assignee of any of the rights assigned hereunder shall not release Rex from any of its duties or obligations to the Builder under the Purchase Order except to the extent that such exercise by Assignee shall constitute performance of such duties and obligations.

Nothing contained herein shall subject the Builder to any liability to which it would not otherwise be subject under or pursuant to the Purchase Order or modify in any respect the Builder's contract rights thereunder or require the Builder to divest itself of title to or possession of the Units until payment therefor as provided therein.

4. On the date the Builder delivers the Units pursuant to the Purchase Order, the Assignee shall purchase the Units from the Builder and within seven days thereafter pay the Builder an amount equal to the purchase price payable to the Builder for the Units pursuant to the Purchase Order, as such purchase price may be adjusted in accordance with the terms of the Purchase Order and invoiced by the Builder to Assignee on the delivery date for the Units.

5. Rex agrees that at any time and from time to time, upon the written request of Assignee, Rex will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as

Assignee may reasonably request in order to obtain the full benefits of this Assignment and of the rights and powers herein granted.

6. Rex hereby represents and warrants that the Purchase Order is in full force and effect and is enforceable in accordance with its terms and Rex is not in default thereunder. Rex further represents and warrants that Rex has not assigned or pledged, and hereby covenants that it will not assign or pledge, so long as this Assignment shall remain in effect, the whole or any part of the rights hereby assigned, to anyone other than Assignee.

7. Rex agrees that it will not enter into any agreement with the Builder which would amend, modify, supplement, rescind, cancel or terminate the Purchase Order in respect of the Units without the prior written consent of Assignee.

8. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed as of the day and year first above written.
