THE NOTES

Section 3.01 Notes Issuable In Series; Certain Related Provisions.

The Notes may, at the election of and as authorized by the Board of Directors, be issued in one or more Series, and shall be designated generally as the "Lease-Backed Notes" of the Company, with such further particular designations added or incorporated in such title for the Notes of any particular Series as the Board of Directors may determine. If more than one Series is Outstanding, each Note of such additional Series shall bear upon the face thereof the designation so selected for the Series to which it belongs. The aggregate principal amount of the Notes which may be issued under this Indenture is unlimited, but Notes may be issued hereunder only upon the terms and subject to the conditions herein provided.

All Notes of any one Series at any time simultaneously Outstanding shall be identical in respect of place or places of payment and dates of payments. Notes of a particular Series shall have the same Note Interest Rate and Stated Maturity.

Each Series of Notes shall be created by a Supplement hereto authorized by the Board of Directors and establishing the terms and provisions of such Series. Such Supplement shall Grant to the Trustee, in trust as provided herein and for the exclusive benefit of the Holders of the Notes of the Series created thereunder, the Trust Estate for such Series. The several Series may differ as between Series, in respect of any of the following matters:

- (1) Series designation;
- (2) Note Interest Rates;
- (3) Stated Maturities;
- (4) place or places for the payment of principal and interest;
- (5) denominations;

(6) limitations upon the aggregate principal amount of Notes of the particular Series which may be issued;

(7) Estimated Amortization Schedule;

(8) the dates on which monies from the related Servicing Account are transferred to the Collection Account;

(9) provisions with respect to the following terms for which the definitions set forth in Article I require or permit further specification in the related Supplement:

(a) "Cut-Off Date,"

(b) "Delivery Date,"

(c) "Determination Date,"

(d) "Individual Note,"

(e) "Initial Cut-Off Date,"

(f) "Note Value Discount Rate,"

(g) "Payment Date,"

(h) "Scheduled Expenses," and

(i) "Servicer Remittance Date;"

(10) the Collateral;

(11) credit rating, if any; and

(12) any other provisions expressing or referring to the terms and conditions upon which the Notes of that Series are to be issued under this Indenture that are not in conflict with the provisions of this Indenture.

In authorizing the issue of any Series, the Board of Directors of the Company shall determine and specify all matters in respect of the Notes of such Series set forth in clauses (1) to (12) inclusive.

Section 3.02 Denominations.

The Notes shall be issuable only as registered Notes without coupons in the denominations prescribed by the Supplement creating the particular Series.

Section 3.03 Execution, Authentication, Delivery and Dating.

The Notes shall be executed on behalf of the Company by its President or one of its Vice Presidents under its corporate seal which may be in facsimile form and be imprinted or otherwise reproduced thereon and attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication or delivery of such Notes or did not hold offices at the date of authentication or delivery of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes of any Series executed by the Company together with a Company Order authorizing authentication thereof to the Trustee for authentication and delivery; and the Trustee shall authenticate and deliver such Notes as in this Indenture provided and not otherwise or cause such Notes to be authenticated by the Authenticating Agent for the Series of which such Notes are a part.

Each Note shall bear on its face the Delivery Date and be dated as of the date of its authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee or by any Authenticating Agent by the manual signature of one of its authorized officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 3.04 Temporary Notes.

Pending the preparation of definitive Notes, the Company may execute, and upon Company Order, the Trustee shall authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such variations as the officers executing such Notes may determine, as evidenced by their execution of such Notes.

If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company to be maintained as provided in Section 11.02, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor one or more definitive Notes of any authorized denominations of the same Series and of a like initial aggregate principal amount and Stated Maturity. Until so exchanged the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes of the same Series.

Section 3.05 Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept at an office or agency to be maintained by the Company in accordance with Section 11.02 a register (the "Note Register"), in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Notes and the registration of transfers of Notes. Texas Commerce Bank National Association, Houston, Texas is hereby appointed "Note Registrar" for the purpose of registering Notes and transfers of Notes as herein provided. The Trustee shall have the right to examine the Note Register at all reasonable times and to rely conclusively upon a certificate of the Note Registrar of such Series of Notes as to the names and addresses of the holders of the Notes of such Series and the principal amounts and numbers of such Notes as held.

Upon surrender for registration of transfer of any Note of any Series at the office or agency of the Company to be maintained as provided in Section 11.02 and subject to the conditions set forth in Section 3.06 hereof, the Company shall execute, and the Trustee or its agent shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denominations, of the same Series and of a like aggregate principal amount and Stated Maturity.

At the option of the Holder, Notes may be exchanged for other Notes of any authorized denominations of the same Series and of a like aggregate principal amount and Stated Maturity, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee or its agent shall authenticate and deliver, the Notes which the Noteholder making the exchange is entitled to receive.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of such transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall (if so required by the Company or the Note Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Note Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes, other than exchanges pursuant to Sections 3.04 or 9.05 not involving any registration of transfer.

Section 3.06 Limitation on Transfer and Exchange.

The Notes have not been registered or qualified under the Securities Act of 1933 (the "1933 Act") or the securities laws of any state. No transfer of any Note shall be made unless that transfer is made in a transaction which does not require registration or qualification under the 1933 Act or under applicable state securities laws. In the event that a transfer is to be made without registration or qualification, such Noteholder's prospective transferee shall deliver to the Trustee (a) an investment letter substantially in the form set forth in Exhibit A hereto (the "Investment Letter") and (b) an Opinion of Counsel (who may be in-house counsel for the transferor or transferee) reasonably satisfactory to the Trustee and the Company that such transfer may be made without such registration or qualification, which Opinion of Counsel shall not be an expense of the Trustee, the Company or the Servicer. Neither the Company nor the Trustee is obligated to register or qualify the Notes under the 1933 Act or any other securities law or to take or permit the transfer of such Notes or interest without registration or qualification. Any such Holder desiring to effect such transfer shall, and does hereby agree to, indemnify the Trustee and the Company against any liability, cost or expense (including attorneys' fees) that may result if the transfer is not so exempt, or is not made in accordance with such federal and state laws.

No transfer of any Note shall be made to any employee benefit plan that is subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), unless the prospective transferee of a Noteholder desiring to transfer its Note provides the Trustee with a certification, which establishes to the satisfaction of the Trustee and the Company that such disposition will not violate the prohibited transaction provisions of Section 406 of ERISA and Section 4975 of the Code. The Company shall require that such prospective transferee certify to the Trustee in writing the facts establishing that such transferee is not such an employee benefit plan.

No transfer or exchange of any Note shall be made if, after such transfer there would be more than 100 beneficial owners of (i) the Notes and (ii) all other securities of the Company. For purposes of determining

whether after a transfer of a Note there would be more than 100 beneficial owners of the securities of the Company for purposes of the Investment Company Act of 1940, the Trustee may rely upon the representations of each initial Holder contained in the related purchase agreement and upon the representations of each subsequent Holder contained in the Investment Letter and upon information provided by the Company to the Trustee. At the request of the Trustee, the Company shall promptly provide the Trustee with the number of beneficial owners of all securities of the Company (except, so long as the Trustee is the Note Registrar, the Notes); provided, however, that in determining the number of such beneficial owners the Company may rely upon the representations of such beneficial owners contained in any letter delivered to the Company in connection with each such beneficial owner's acquisition of such security.

The Trustee shall have no liability to a Trust Estate or any Noteholder arising from a transfer of any such Note in reliance upon a certification or opinion of counsel described in this Section 3.06.

No transfer or exchange of a Note shall be made to any Person unless such Person delivers to the Trustee the opinion of counsel and the Investment Letter required by this Section 3.06.

Section 3.07 Mutilated, Destroyed, Lost or Stolen Notes.

If (i) any mutilated Note is surrendered to the Note Registrar, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to save the Company and the Trustee or any agent of either of them harmless (provided that in the case of any Noteholder which is an institutional investor such Noteholder's own written indemnity shall be deemed satisfactory for this purpose, and that such indemnity requirement shall not apply to a mutilated Note), then, in the absence of notice to the Company or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Company shall execute and upon its request the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Series, tenor, ini-

tial principal amount and Stated Maturity, bearing a number not contemporaneously outstanding. If, after the delivery of such new Note, a bona fide purchaser of the original Note in lieu of which such new Note was issued presents for payment such original Note, the Company and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expenses incurred by the Company or the Trustee or any agent of either of them in connection therewith. If any such mutilated, destroyed, lost or stolen Note shall have become or shall be about to become due and payable, or shall have become subject to redemption in full, instead of issuing a new Note, the Company may pay such Note without surrender thereof, except that any mutilated Note shall be surrendered.

Upon the issuance of any new Note under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 3.08 Payment of Principal and Interest; Principal and Interest Rights Preserved.

(a) Unless otherwise specified in the related Supplement, Notes of each Series shall bear interest on the unpaid principal amount thereof from and including the first calendar day of the month in which the Delivery Date for such Series occurs at the Note Interest Rate per

annum specified in the Supplement for such Series (calculated on the basis of a 360-day year consisting of 12 months of 30 days each), through the last day of such month and thereafter, monthly from and including the most recent date to which interest has been paid or duly provided for through the last day of the month next preceding each Payment Date, until the last day of the month next preceding the month in which the principal thereof is fully paid and (to the extent that the payment of such interest shall be legally enforceable) on any overdue installment of interest from the date such interest became due and payable until fully paid. Interest shall be due and payable in arrears on each Payment Date, with each payment of interest calculated as described above on the unpaid principal amount of the Notes Outstanding immediately following the preceding Payment Date or on the Delivery Date, if there has not been any preceding Payment Date; provided, however, that in making any interest payment, if the interest calculation with respect to a Note shall result in a portion of such payment being less than \$.01, then such payment shall be decreased to the nearest whole cent, and no subsequent adjustment shall be made in respect thereof.

(b) Notes of each Series shall have such Stated Maturities as shall be specified in the related Supplement. The principal of each Note shall be payable in one or more installments ending no later than the Stated Maturity thereof unless such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. All reductions in the principal amount of a Note effected by payments of installments of principal made on any Payment Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note. Each installment of principal payable on the Notes of a Series shall be in an amount equal to the Principal Distribution Amount. The principal payable on the Notes shall be paid on each Payment Date beginning on the Initial Principal Payment Date for such Series and ending on the Final Payment Date for such Series on a pro rata basis based upon the face amount of each Note of such Series; provided, however, that if as a result of such proration, a portion of such principal would be less than \$.01, then such payment shall be decreased to the nearest whole cent, and such portion shall be applied to the next succeeding principal

payment. Monies in the Spread Account and monies available pursuant to the Credit Facility, if any, for such Series shall be used to the extent required to make the applicable Principal Distribution Amount payment on the Notes of such Series and to pay in full the Notes of such Series by their Stated Maturities.

(c) The principal of and interest on the Notes of each Series are payable by check mailed to the Person whose name appears as the Registered Holder of such Note on the Note Register for the related Series at the address of such person as it appears on such Note Register or by wire transfer in immediately available funds to the account specified in writing by such Registered Holder at least five Business Days prior to the Record Date for the Payment Date on which wire transfers will commence, in such coin or currency of the United States of America as at the time of tender is legal tender for the payment of public and private debts. Funds representing any such checks returned undeliverable shall be held in accordance with Section 11.03.

Section 3.09 Persons Deemed Owners.

Prior to due presentment for registration of transfer of any Note, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Note is registered as the owner of such Note for the purpose of receiving payments of principal of and interest on such Note (subject to Section 3.08) and for all other purposes whatsoever, whether or not such Note be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Section 3.10 Cancellation.

All Notes surrendered to the Trustee for payment, registration of transfer or exchange (including Notes surrendered to any Person other than the Trustee which shall be delivered to the Trustee) shall be promptly cancelled by the Trustee. The Company may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this

Section 3.10, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of as directed by a Company Order.

Section 3.11 Surrender of Notes.

On the Payment Date immediately preceding the Final Payment Date, the Company shall notify each Person in whose name a Note is registered that the Company expects the final installment of principal and interest with respect to such Note to be paid on such Final Payment Date. Each Noteholder shall surrender its Note to the Trustee within 60 days after the Final Payment Date. Each Noteholder agrees by its acceptance of a Note to indemnify and save the Company, the Servicer and the Trustee or any agent of them harmless for any loss or expense resulting from the failure to surrender after the Final Payment Date any Note registered in the name of such Noteholder.

SATISFACTION AND DISCHARGE

Section 5.01 Satisfaction and Discharge of Indenture.

This Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer and exchange or payment) with respect to any Series of Notes and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to such Series of Notes and shall pay, assign, transfer and deliver to the Company upon Company Order all cash, securities and other property held by it as part of the Trust Estate (except for amounts required to pay and discharge the entire remaining indebtedness of the Notes of such Series), when

(1) either

(a) all Notes of the Series theretofore authenticated and delivered (other than (i) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.07, and (ii) Notes for whose payment money has theretofore been deposited in trust as provided in Section 11.03) have been delivered to the Trustee for cancellation; or

(b) all Notes of such Series not theretofore delivered to the Trustee for cancellation have become due and payable and the Company has irrevocably deposited or caused to be deposited with the Trustee, in trust for the purpose, an amount sufficient to pay and discharge the principal amount, interest and pre

Thereafter, the obligations of the Company in Section 7.07, the Holders in Section 3.11 and the Trustee in Section 5.02 and the rights and immunities of the Trustee under this Indenture shall survive.

Section 5.02 Application of Trust Money.

ARTICLE SIX

DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

"Event of Default" with respect to any Series, wherever used herein means any one of the following events (provided, however, that an Event of Default with respect to one Series shall not constitute an Event of Default with respect to any other Series, if the Event of Default with respect to the first Series falls under clause 6.01(1), (2) or (3) below):

(1) default in the payment of any interest

upon any Note of such Series when the same becomes due and payable, and such Default shall continue for a period of five days; or

(2) default in the payment of any principal of, or premium, if any, on any Note of such Series when the same becomes due and payable, and such Default shall continue for a period of five days; or

(3) default in the performance, or breach, of any material covenant or warranty of the Company in this Indenture, the Contribution Agreement, or the Servicing Agreement (other than a covenant or warranty default in the performance of which or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there shall have been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of not less than 50% in principal amount of the Outstanding Notes, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(4) the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Company under the Federal Bankruptcy Code or any other applicable Federal or State bankruptcy or insolvency law, or appointing a receiver, liquidator, assignee, trustee, or sequestrator (or other similar official) of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days; or

(5) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the Federal Bankruptcy Code or any other applicable Federal or State law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Company or of any substan-

tial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action.

Section 6.02 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default pursuant to Section 6.01(1), (2), or (3) with respect to the Notes of any Series at the time outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than a majority in principal amount of the Outstanding Notes of such Series may declare the principal of all the Notes of such Series to be immediately due and payable, by a notice in writing to the Company (and to the Trustee if given by Noteholders), and upon any such declaration such principal shall become immediately due and payable without any presentment, demand, protest or other notice of any kind, (except such notices as shall be expressly required by the provisions of this Indenture), all of which are hereby expressly waived. If an Event of Default pursuant to Section 6.01(4) or 6.01(5) occurs and is continuing, then in such case the principal of all the Notes of such Series shall be automatically due and payable without any presentment, demand, protest or other notice of any kind (an "Automatic Acceleration").

At any time after such a declaration of acceleration has been made, but before any Sale of the Trust Estate has been made or a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of not less than 70% of the aggregate principal amount of the Outstanding Notes of such Series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences (except that in the case of a payment default on the Notes, the consent of all the Noteholders of such Series shall be required to rescind and annul such a declaration and its consequences) if

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue installments of interest

on all Notes of such Series,

(B) the principal of any Notes of such Series which has become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by such Notes,

(C) to the extent that payment of such interest is lawful, interest upon overdue installments of interest on the Notes of such Series at the rate borne by such Notes to the date of such payment or deposit, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel to the date of such payment or deposit;

and

(2) all Events of Default, other than the nonpayment of the principal of the Notes of a Series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.15.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 6.03 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if an Event of Default under Section 6.01 hereof shall occur and be continuing with respect to any Series of Notes, and the Notes have been declared due and payable and such declaration has not been rescinded and annulled, or there has been an Automatic Acceleration, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of Notes of such Series, the whole amount then due and payable of such Series of Notes for principal and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by the Notes of such Series, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection,

including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amount forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute Proceedings for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Company and collect the monies adjudged or decreed to be payable in the manner provided by law out of the property of the Company, wherever situated.

If an Event of Default with respect to the Notes of any Series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Noteholders of the Notes of such Series, by such appropriate Proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 6.04 Remedies.

If an Event of Default with respect to any Series shall have occurred and be continuing, the Trustee may do one or more of the following:

(a) institute Proceedings for the collection of all amounts then payable on the Notes of such Series, or under this Indenture in respect to such Series of Notes, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Company (other than from the Trust Estate securing any other Series of Notes) the monies adjudged due;

(b) sell the Trust Estate securing the Notes of such Series or any portion thereof or rights or interest therein, at one or more Sales called and conducted in any manner permitted by law;

(c) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate securing the Notes of such Series; and

(d) exercise any remedies of a secured party under the Uniform Commercial Code or other applicable law and take any other appropriate action to protect and enforce the rights and remedies of the Trustee or the Holders of the Notes of such Series hereunder.

Section 6.05 Optional Preservation of Trust Estate.

If (i) an Event of Default shall have occurred and be continuing with respect to any Series and (ii) no Automatic Acceleration has occurred, and no Notes of such Series have been declared due and payable or such declaration and its consequences have been annulled and rescinded, the Trustee shall upon request from the Holders of a majority in principal amount of the Outstanding Notes of such Series, elect by giving written notice of such election to the Company to take possession of and retain the Trust Estate securing the Notes of such Series intact, collect or cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of such Notes in accordance with the provisions of Article Thirteen and Article Twelve of this Indenture. If the Trustee is unable to or is stayed from giving such notice to the Company for any reason whatsoever, such election shall be effective as of the time of such determination or request, as the case may be, notwithstanding any failure to give such notice, and the Trustee shall give such notice upon the removal or cure of such inability or stay (but shall have no obligation to effect such removal or cure). Any such election may be rescinded with respect to any portion of the Trust Estate securing the Notes of such Series remaining at the time of such rescission by written notice to the Trustee and the Company from the Holders of a majority in principal amount of the Outstanding Notes of such Series.

Section 6.06 Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial Proceeding relating to the Company or any other obligor upon any of the Notes or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Notes of any Series shall then be due and payable as therein ex-

pressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, to intervene in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the Notes of each Series issued hereunder and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 7.07) and of the Noteholders allowed in such judicial Proceeding, and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, or sequestrator (or other similar official) in any such judicial Proceeding is hereby authorized by each Noteholder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Noteholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding.

Section 6.07 Trustee May Enforce Claims Without Possession of Notes.

All rights of actions and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceeding relating thereto, and any such Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes of the Series in respect of which such judgment has been recovered.

Section 6.08 Application of Money Collected.

Any money collected by the Trustee with respect to any Series of Notes pursuant to this Article, all monies available in the Spread Account and Collection Account, and, upon final liquidation of all Lease Receivables and Equipment subject to the lien of the Indenture in accordance with this Article 6, all monies available in the Substitute Servicer Account and Equipment Maintenance Account, shall be applied in the following order, at the date or dates fixed by the Trustee:

FIRST: To the payment of all amounts due the Trustee under Section 7.07 in connection with the exercise of its duties hereunder;

SECOND: To the payment of the amounts then due and unpaid upon the Notes of such Series for interest, in respect of which or for the benefit of which such money has been collected, with interest (to the extent such interest has been collected by the Trustee or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Notes) on overdue principal and on overdue installments of interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes of such Series for interest;

THIRD: To the payments of the amounts then due and unpaid upon the Notes of such Series for principal and premium, if any, in respect of which or for the bene-

fit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes of such Series for principal and premium, if any;

FOURTH: To the payment of any other sums due under the Indenture;

FIFTH: To the payment of any surplus to or at the direction of (whether by Supplement or otherwise) the Company or any other person legally entitled thereto.

Section 6.09 Limitation on Suits.

No Holder of any Note of any Series shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default in respect of such Series;

(2) the Holders of not less than a majority in principal amount of the Outstanding Notes of such Series shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceedings; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Holders of a majority or more in principal amount of the Outstanding Notes of such Series;

it being understood and intended that no one or more Holders of Notes of any Series shall have any right in any manner whatever by virtue of, or by availing of, any

provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of such Series, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of such Series.

Section 6.10 Unconditional Right of Noteholders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal, interest, and premium, if any, on such Note as such principal, interest, and premium, if any, becomes due and payable and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 6.11 Restoration of Rights and Remedies.

If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every case the Company, the Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 6.12 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.13 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Noteholders, as the case may be.

Section 6.14 Control by Noteholders.

The Holders of a majority in principal amount of the Outstanding Notes of each Series shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee with respect to such Series or exercising any trust or power conferred on the Trustee with respect to such Series; provided that with respect to the Notes of such Series:

(1) Such direction shall not be in conflict with any rule of law or with this Indenture, and

(2) The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; provided, however, that, subject to Section 7.01, the Trustee with respect to the Notes of such Series need not take any action which the Trustee in good faith, by a Responsible Officer or Officers of the Trustee, determines might involve it in liability or be unjustly prejudicial to the Noteholders not consenting.

Section 6.15 Waiver of Past Defaults.

The Holders of 66-2/3% in principal amount of the Outstanding Notes of each Series may on behalf of the Holders of all the Notes of such Series waive any past Default hereunder and its consequences, except a Default:

(1) in the payment of the principal of, or premium, if any, or interest on any Note of such series, or a default described in Sections 6.01(4) and (5), or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Note of such Series affected.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.16 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in principal amount of the Outstanding Notes in the relevant Series, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of, or premium, if any, or interest on any Note on or after the Stated Maturity expressed in such Note.

Section 6.17 Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein

granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 6.18 Sale of Trust Estate.

(a) The power to effect any sale (a "Sale") of any portion of the Trust Estate pursuant to Section 6.04 shall not be exhausted by any one or more Sales as to any portion of the Trust Estate remaining unsold, but shall continue unimpaired until the entire Trust Estate securing the related Series of Notes shall have been sold or all amounts payable on the Notes of such Series and under this Indenture with respect thereto shall have been paid. The Trustee may from time to time postpone any Sale by public announcement made at the time and place of such Sale. It is hereby expressly agreed that the Trustee is not limited to any amount fixed by law as compensation for any Sale.

(b) The Trustee may bid for and acquire any portion of the Trust Estate securing a Series of Notes in connection with a public Sale thereof, and in lieu of paying cash therefor, may make settlement for the purchase price by crediting against amounts owing on the Notes or other amounts secured by this Indenture, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale. The purchase by the Trustee of all or any portion of the Trust Estate shall not be deemed a Sale or disposition thereof for purposes of Section 6.18(a). The Notes of such Series need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law.

(c) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Trust Estate in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Company to transfer and convey its interest in any portion of the Trust Estate in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority,

inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Section 6.19 Action on Notes.

The Trustee's right to seek and recover judgment on a Series of Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Company or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Company.

Section 6.20 No Recourse to Collateral for Other Series.

The Collateral granted to the Trustee for each Series will serve as collateral security only for such Series and the Holders of Notes of other Series shall not have recourse to such Collateral.

ARTICLE SEVEN

THE TRUSTEE

Section 7.01 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default known to the Trustee as provided in subsection (e) below:

(1) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture.

(b) In case an Event of Default known to the Trustee as provided in subsection (e) below has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this Subsection (c) shall not be construed to limit the effect of Subsection (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Notes of any Series relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to such Series; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, provided that nothing herein contained shall excuse the Trustee for failure to perform its duties as Trustee under this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

(e) For all purposes under this Indenture, the Trustee shall not be deemed to have notice of any Event of Default described in Section 6.01(4) or 6.01(5) or any Default described in Section 6.01(3) unless a Responsible Officer assigned to and working in the Trustee's corporate trust department has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Notes of any Series, the Company, any Trust Estate or this Indenture.

(f) The Trustee shall be under no obligations to institute any suit, or to take any remedial proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements and against all liability, except liability that is adjudicated, in connection with any action so taken.

(g) Notwithstanding any extinguishment of all right, title and interest of the Company in and to the Trust Estate following an Event of Default and a consequent declaration of acceleration of the maturity of the Notes, whether such extinguishment occurs through a Sale of the Trust Estate to another Person, the acquisition of the Trust Estate by the Trustee with respect to the Trust Estate (or the proceeds thereof) and the Noteholders and the rights of the Noteholders shall continue to be governed by the terms of this Indenture.

(h) Notwithstanding anything to the contrary contained herein, the provisions of subsections (e) through (g), inclusive, of this Section shall be subject to the provisions of subsections (a) through (c), inclusive, of this Section.

Section 7.02 Notice of Default.

Within 10 days after the occurrence of any Default with respect to a Series known to the Trustee, the Trustee shall transmit by mail to all Holders of Notes of such Series, as their names and addresses appear on the Note Register, notice of such Default hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 7.03 Certain Rights of Trustee.

Except as otherwise provided in Section 7.01,

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other obligation, paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(d) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee rea-

sonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, upon reasonable notice and at reasonable times personally or by agent or attorney; and

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

Section 7.04 Not Responsible for Recitals or Issuance of Notes.

(a) The recitals contained herein and in the Notes, except the certificates of authentication on the Notes, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or condition of the Trust Estate or any part thereof, or as to the title of the Company thereto or as to the security afforded thereby or hereby, or as to the validity or genuineness of any securities at any time pledged and deposited with the Trustee hereunder or as to the validity or sufficiency of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of Notes or the proceeds thereof or of any money paid to the Company or upon Company Order under any provisions hereof.

(b) Except as otherwise expressly provided herein and without limiting the generality of the foregoing, the Trustee shall have no responsibility or liability for or with respect to the existence or validity of any Equipment or Lease Contract, the perfection of

any security interest (whether as of the date hereof or at any future time), the maintenance of or the taking of any action to maintain such perfection, the validity of the assignment of any portion of the Trust Estate to the Trustee or of any intervening assignment, the review of any Lease Contract (it being understood that the Trustee has not reviewed and does not intend to review the substance or form of any such Lease Contract) the performance or enforcement of any Lease Contract, the compliance by the Company, Rail or the Servicer with any covenant or the breach by the Company, Rail or the Servicer of any warranty or representation made hereunder or in any related document or the accuracy of any such warranty or representation, any investment of monies in the Collection Account or any loss resulting therefrom, the acts or omissions of the Company, Rail, the Servicer or any Customer, any action of the Servicer or Rail taken in the name of the Trustee, or the validity of the Servicing Agreement or the Contribution Agreement.

(c) The Trustee shall not have any obligation or liability under any Lease Contract by reason of or arising out of this Indenture or the granting of a security interest in such Lease Contract hereunder or the receipt by the Trustee of any payment relating to any Lease Contract pursuant hereto, nor shall the Trustee be required or obligated in any manner to perform or fulfill any of the obligations of the Company under or pursuant to any Lease Contract, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it, or the sufficiency of any performance by any party, under any Lease Contract.

Section 7.05 May Hold Notes.

The Trustee, the Servicer, any Paying Agent, Note Registrar, any Authenticating Agent or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Notes and if operative, may otherwise deal with the Company with the same rights it would have if it were not Trustee, the Servicer, Paying Agent, Note Registrar, Authenticating Agent or such other agent.

Section 7.06 Money Held in Trust.

Money held in trust by the Trustee or any Paying Agent hereunder need not be segregated from other

funds except to the extent required herein or required by law. The Trustee or any Paying Agent shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

Section 7.07 Compensation and Reimbursement.

The Company agrees to make payment to the Trustee of the following (provided that any amounts payable pursuant to clauses (ii) and (iii) below shall be paid only pursuant to Section 13.01(h) hereof or from other funds available to the Company that are not subject to the lien of the Indenture):

(i) from time to time reasonable compensation for all services rendered by it hereunder, including all reasonable and customary monthly operating fees and expenses (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, such amount as may be necessary to reimburse the Trustee upon its request for all extraordinary out-of-pocket expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of the Trustee's agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(iii) such amount as may be necessary to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

Upon the occurrence of an Event of Default resulting in an acceleration of maturity of the Notes of

a Series that has not been rescinded and annulled, the Trustee shall have, as security for the performance of the Company under this Section 7.07, a lien ranking senior to the lien of the Notes of the Series with respect to which any claim of the Trustee under this Section 7.07 arose upon all property and funds held or collected as part of the Trust Estate for such Series by the Trustee in its capacity as such. The Trustee shall not institute any Proceeding seeking the enforcement of such lien against any Trust Estate unless (i) such Proceeding is in connection with a Proceeding in accordance with Article Six hereof for enforcement of the lien of this Indenture for the benefit of the Holders of the Notes secured by such Trust Estate after the occurrence of an Event of Default (other than an Event of Default due solely to a breach of this Section 7.07) and a resulting declaration of acceleration of maturity of such Notes that has not been rescinded and annulled, or (ii) such Proceeding does not result in or cause a Sale or other disposition of such Trust Estate.

Section 7.08 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$100,000,000, subject to supervision or examination by Federal or State authority and having an office within the United States of America. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 7.09 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 7.10.

(b) The Trustee may resign at any time by giving 30 days written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(c) The Trustee may be removed at any time with respect to any Series by Act of the Holders of at least 66 2/3% in principal amount of the Outstanding Notes of that Series, delivered to the Trustee and to the Company.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 7.08 and shall fail to resign after written request therefor by the Company or by any Noteholder, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee, or (ii) subject to Section 6.16, any Noteholder who has been a Registered Holder of a Note for at least six months (or any initial Noteholder during the first six months he holds the Note) may, on behalf of himself and all others similarly situated,

petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any cause with respect to the Notes of one or more Series, the Company by a Board Resolution, shall promptly appoint a successor Trustee or a Trustee with respect to the Notes of such Series. If within one year after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee with respect to any Series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Notes of that Series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Noteholders and shall have accepted appointment in the manner hereinafter provided, any Noteholder who has been a Registered Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor trustee with respect to the Notes of such Series.

(f) The Company shall give notice to each of the Noteholders in the manner provided in Section 1.04 of each resignation and each removal of the Trustee and each appointment of a successor Trustee with respect to the Notes of any Series. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Section 7.10 Acceptance of Appointment by Successor.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such re-

tiring Trustee shall, upon payment of its reasonable charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee (provided, however, that if the retiring Trustee has been removed, pursuant to Section 7.09(c), with respect to less than all Series for which it is Trustee, then such transfer shall be limited to its rights and powers with respect to each Series with respect to which it has been removed), and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder (provided, however, that if the retiring Trustee has been removed, pursuant to Section 7.09(c), with respect to less than all Series for which it is Trustee, then such assignment, transfer and delivery by the retiring Trustee shall be limited to the property and money held by it for the benefit of the Holders of Notes of the Series with respect to which it has been removed), subject nevertheless to its lien, if any, provided for in Section 7.07. Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be eligible under this Article.

Section 7.11 Merger, Conversion, Consolidation or Succession to Business of Trustee.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect

as if such successor Trustee had itself authenticated such Notes.

Section 7.12 Co-trustees and Separate Trustees.

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any of a Trust Estate may at the time be located, the Company and the Trustee shall have power to appoint, and, upon the written request of the Trustee or of the Holders of Notes representing at least 25% of the aggregate principal value of the Outstanding Notes of the Series secured by the Trust Estate with respect to which a co-trustee or separate trustee is being appointed, the Company shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more Persons approved by the Trustee, either to act as co-trustee, jointly with the Trustee of all or any part of such Trust Estate, or to act as separate trustee of any such property, in either case with such powers as may be provided in the instrument of appointment, and to vest in such Person or Persons in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section. If the Company does not join in such appointment within 30 days after the receipt by it of a request so to do, or in case an Event of Default has occurred and is continuing, the Trustee alone shall have power to make such appointment.

Should any written instrument from the Company be reasonably required by any co-trustee or separate trustee so appointed for more fully confirming to such co-trustee or separate trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Company.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

- (i) The Notes shall be authenticated and delivered by, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and

other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(ii) The rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by such appointment shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by such co-trustee or separate trustee;

(iii) The Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Company evidenced by a Board Resolution, may accept the resignation of or remove any co-trustee or separate trustee, appointed under this Section, and, in case an Event of Default has occurred and is continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Company. Upon the written request of the Trustee, the Company shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee that has so resigned or been removed may be appointed in the manner provided in this Section;

(iv) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of the Trustee or any other such trustee hereunder nor shall the Trustee be liable by reason of any

act or omission of any co-trustee or separate trustee hereunder; and

(v) Any Act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

Section 7.13 Rights with Respect to the Servicer.

(a) The Trustee may discharge the Servicer at any time, but only in accordance with the terms of the Servicing Agreement.

(b) If the Company shall have knowledge of the occurrence of any event of default under the Servicing Agreement relating to any Series of Notes, the Company shall promptly, and in no event later than within 5 days, notify the Trustee and the Holders of the Notes of such Series thereof, and shall specify in such notice the action, if any, the Company is taking in respect of such event of default. So long as any event of default under the Servicing Agreement shall be continuing, the Trustee or the Holders of Notes representing not less than a majority of the aggregate principal amount of the Outstanding Notes of the related Series may, by written notice to the Servicer (and to the Trustee if given by Noteholders), terminate all of the rights and powers of the Servicer under the Servicing Agreement pursuant to the terms thereof.

(c) Upon any termination of the Servicer's rights and powers pursuant to the Servicing Agreement, all rights, powers, duties and responsibilities of the Servicer under the Servicing Agreement with respect to the related Lease Receivables shall vest in and be assumed by the Trustee, and the Trustee shall be the successor in all respects to the Servicer in its capacity as Servicer with respect to such Lease Receivables hereunder and under the Servicing Agreement; provided, however, that the Trustee shall not succeed to the obligations of the Servicer under the Servicing Agreement to (i) make Advances concerning any Bi-Monthly Pay Lease Receivables, Quarterly Pay Lease Receivables or Semi-Annual Pay Lease Receivables or (ii) make any payments under any Lease Contracts related to Full Service Lease Receivables for maintenance of any Equipment in excess of the Maintenance

Fee actually received with respect thereto and any amounts then available for the payment of such maintenance expenses in the Equipment Maintenance Account or Substitute Servicer Account. Immediately upon assuming the obligations of Substitute Servicer, the Trustee shall establish a Lockbox Account pursuant to Section 5.02 of the Servicing Agreement. At such time, the Trustee, serving as the agent of both the Noteholders and the lenders under the Credit Agreement, shall (i) disaggregate payments deposited into the Lockbox Account with respect to the Lease Receivables from any other payments not related to the Lease Receivables on a weekly basis, and (ii) disaggregate Mileage Allowances related to the Lease Receivables deposited into the Lockbox Account from any Mileage Allowances which do not relate to the Lease Receivables, and shall remit such unrelated payments in accordance with the provisions of the Intercreditor Agreement, the Credit Agreement and the Indenture. The Trustee may resign or decline to serve as the Servicer by giving written notice of such resignation or declination to the Company and in such event will be released from such duties and obligations, such release to be effective on the date a Substitute Servicer enters into a servicing agreement with the Company and the Trustee as provided below. Upon delivery of such notice to the Company, the Trustee, at the direction of the Holders of a majority in principal amount of the Outstanding Notes shall appoint a Substitute Servicer; provided, however, that any such Substitute Servicer shall (i) be a corporation formed under the laws of the United States of America or any state thereof or the District of Columbia, (ii) have a net worth of at least \$15,000,000 and (iii) shall service, on its own behalf or on behalf of others, railcar equipment leases aggregating at least \$20,000,000. If the Trustee shall succeed to the Servicer's duties as provided herein, it shall do so in its individual capacity and not in its capacity as Trustee and, accordingly, the provisions of Article Seven shall be inapplicable to the Trustee in its duties as the successor to the Servicer and the servicing of the Lease Receivables. In all other respects other than as may be provided in the Servicing Agreement for a Series, the rights and obligations of the Substitute Servicer shall be the same as those of the Servicer.

Section 7.14 Servicer as Agent and Bailee of Trustee.

Solely for the purpose of perfection under Section 9-305 of the Uniform Commercial Code of the state in which such property is held by the Servicer, the Trustee hereby acknowledges that the Servicer is acting as agent and bailee of the Trustee in administering monies pursuant to the Servicing Agreement, and by other items constituting a part of the Trust Estate, including the Lease Contracts and the files relating to the Lease Receivables and the related Equipment, which from time to time come into the possession of the Servicer. It is intended that, by the Servicer's acceptance of such agency pursuant to the Servicing Agreement, the Trustee, as a secured party, will be deemed to have possession of such monies and such other items for purposes of Section 9-305 of the Uniform Commercial Code of the state in which such property is held by the Servicer.

Section 7.15 Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents with respect to one or more series of Notes which shall be authorized to act on behalf of the Trustee to authenticate Notes of such series issued upon original issue or upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.07, and Notes so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Notes by the Trustee or the Trustee's certificate of authentication or the delivery of Notes to the Trustee for authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent and delivery of the Notes to the Authenticating Agent on behalf of the Trustee. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation having a combined capital and surplus of not less than the equivalent of \$100,000,000 and subject to supervision or examination by Federal or state authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the re-

quirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of such Authenticating Agent, shall continue to be an Authenticating Agent without the execution or filing of any paper or any further act on the part of the Trustee or such Authenticating Agent; provided, such corporation shall be otherwise eligible under this Section.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Notes, if any, of the Series with respect to which such Authenticating Agent will serve, as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

If an appointment is made pursuant to this Section, the Notes may have endorsed thereon, in addition

to the Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

REPORTS BY TRUSTEE, SERVICER AND COMPANY

Section 8.01 Monthly Servicer Report.

On the Delivery Date and at least five days prior to each Payment Date, the Servicer shall deliver to the Trustee, the Company, and any Rating Agency rating the Notes of a Series, and on each Payment Date for any Series the Trustee shall furnish to each Noteholder of the Series (provided that the Trustee has received such reports from the Servicer), the Monthly Servicer Report in the form provided in the Servicing Agreement for such Series with respect to activity in the month immediately preceding the month in which such report is to be provided. Lease Receivables purchased by Rail or on account of defaults with respect to which draws on the Spread Account are to be made shall be identified by Customer lease number. The Trustee may rely conclusively on the Monthly Servicer Report without any independent verification and shall in no way be liable for actions taken in good faith reliance upon the information set forth in the Monthly Servicer Report.

On or before 120 days after the end of each fiscal year of the Servicer, the Servicer shall deliver to the Company, the Trustee, each Noteholder and any Rating Agency rating the Notes of a Series a report of a

firm of independent public accountants of recognized national standing selected by the Servicer to the effect that such firm has examined certain documents and records relating to the servicing of the Lease Contracts, the Lease Receivables and the Equipment under this Indenture, any related supplement thereto and the related Servicing Agreement and that, on the basis of such examination conducted substantially in compliance with generally accepted audit standards, nothing came to their attention which caused them to believe that the Servicer has accounted for matters regarding the Lease Contracts, the Lease Receivables and the Equipment, including deposits in and withdrawals from the Servicing Account, the Equipment Maintenance Account, the Substitute Servicer Account and the Spread Account and requested withdrawals from the Collection Account, otherwise than in accordance with the Indenture, any related supplement thereto and the related Servicing Agreement, except for such insignificant exceptions or errors on records that, in the opinion of such firm, it is not required to report.

The Servicer shall cause to be maintained books and records showing, on a monthly basis, the information needed for the following calculations: (1) the Principal Distribution Amount for each Payment Date, (2) the aggregate amount of interest accrued for the Due Period immediately preceding the related Payment Date, (3) the unpaid principal amount of the Notes Outstanding after giving effect to the payments to be made on such Payment Date, (4) the Note Value, and (5) such other information which the Trustee or any Holder of the Notes may reasonably request. Such books and records will be available for inspection by the Trustee and any Noteholder upon reasonable notice at any time during normal business hours.

ARTICLE NINE

SUPPLEMENTAL INDENTURES

Section 9.01 Supplemental Indentures without Consent of Noteholders.

Without the consent of the Holders of any Notes, the Company, the Servicer and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes, so long

as any such Supplemental Indenture does not cause a downgrading of the rating on the Notes and, with respect to any Supplemental Indenture entered into for a purpose described in any of subclauses (5) and (10), the Company shall provide to the Trustee prior to entering into any such Supplemental Indenture a confirmation from the Rating Agency then rating the Notes to the effect that such action would not cause a downgrading of the rating on the Notes:

(1) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or better to assure, convey and confirm unto the Trustee any property subject or required to be subjected to the lien of this Indenture, or to subject to the lien of this Indenture additional property; or

(2) to add to the conditions, limitations and restrictions on the authorized amount, terms and purposes of issue, authentication and delivery of any Series of Notes, as herein set forth, additional conditions, limitations and restrictions thereafter to be observed, for the benefit of the Noteholders; or

(3) to set forth the terms of, and security for, any Series that has not theretofore been authorized by a Supplement; or

(4) to amend Article Four, but only with respect to a Series that has not theretofore been authorized by a Supplement; or

(5) to evidence the succession of another Person to the Company, and the assumption by such successor of the covenants of the Company in accordance with the provisions of this Indenture;

(6) to add to the covenants of the Company, for the benefit of the Holders of all Notes or of any Series, or to surrender any right or power herein conferred upon the Company; or

(7) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee; or

(8) to cure any ambiguity, to correct or sup-

plement any provision herein which may be defective or inconsistent with any other provisions with respect to matters or questions arising under this Indenture, which shall not be inconsistent with the provisions of this Indenture, provided that such action shall not adversely affect the interests of the Holders of the Notes; or

(9) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act of 1939, as amended, or under any similar federal statute hereafter enacted, and to add to this Indenture such other provisions as may be expressly required by the Trust Indenture Act of 1939, as amended; or

(10) to evidence the succession of the Trustee pursuant to Article Seven; or

(11) to add to any Events of Default.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture that affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise. The Company will send a copy of any such supplemental indenture to each Noteholder promptly following the execution and delivery thereof.

Section 9.02 Supplemental Indentures with Consent of Noteholders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Notes, in case Outstanding Notes of all Series are to be affected, or with the consent of the Holders of not less than a majority in principal amount of the Outstanding Notes of each Series to be affected in case one or more, but less than all of the Series of Outstanding Notes are to be affected, by Act of said Holders delivered to the Company and the Trustee, the Company, the Servicer and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of, this Indenture relating to such Series

or of modifying in any manner the rights of the Holders of the Notes of such Series under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holders of each Outstanding Note affected thereby:

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Note, or reduce the principal amount thereof or the rate of interest thereon or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable, or change the authorized denomination of any Note, or impair the right to institute suit for the enforcement of any such payment; or

(2) reduce the percentage in principal amount of the Outstanding Notes of any Series, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for in this Indenture or the consent of which is required to waive any payment default on the Notes, or

(3) impair or adversely affect the Trust Estate applicable to a Series except as otherwise permitted herein; or

(4) modify or alter the provisions of the proviso to the definition of the term "Outstanding"; or

(5) modify or alter the provisions of Section 6.04 or 6.08; or

(6) modify any of the provisions of this Section 9.02, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby; or

(7) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of a Trust Estate or

terminate the lien of this Indenture on any property at any time subject hereto or deprive the Holder of any Note of the security afforded by the lien of this Indenture.

The Trustee may in its discretion determine whether or not any Notes of any particular Series would be affected by any supplemental indenture and any such determination shall be conclusive upon the Holders of all Notes, whether theretofore or thereafter authenticated and delivered hereunder. The Trustee shall not be liable for any such determination made in good faith.

Promptly after the execution by the Company, the Servicer and the Trustee of any supplemental indenture pursuant to this Section, the Company shall mail to the Holders of the Notes to which such supplemental indenture relates, a conformed copy of such supplemental indenture. Any failure of the Company to mail such conformed copy, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 9.03 Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive upon request, and (subject to Section 7.01) shall be fully protected in relying upon, an Opinion of Counsel reasonably acceptable to the Trustee stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not (except to the extent required in case of a supplemental indenture entered into under Section 9.01(9)) be obligated to, enter into any such supplemental indenture which affects the Trustee's own duties or immunities under this Indenture or otherwise.

Section 9.04 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and

every Holder of Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 9.05 Reference in Notes to Supplemental Indentures.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE TEN

REDEMPTION OF NOTES

Section 10.01 Redemption at the Option of the Company; Election to Redeem.

The Notes of a Series may be redeemed by the Company at the option of the Company, in whole or in part as to the then Outstanding Notes, on a pro rata basis as permitted by the related Supplement, and in the manner, at the Redemption Price, and at the dates specified in the related Supplement (unless otherwise provided in the related Supplement).

The Company shall set the Redemption Date and the Redemption Record Date and give notice thereof to the Trustee pursuant to Section 10.02.

Installments of interest and principal due on or prior to a Redemption Date shall continue to be payable to the Holders of Notes called for redemption as of the relevant Record Dates according to their terms and the provisions of Section 3.08. The election of the Company to redeem any Notes pursuant to this Section shall be evidenced by a Board Resolution directing the Trustee to make the payment of the Redemption Price on all of the Notes to be redeemed from monies deposited with the Trustee pursuant to Section 10.04.

Section 10.02 Notice to Trustee.

Unless otherwise specified in the related Supplement, in the case of any redemption pursuant to Section 10.01, the Company shall, at least 15 days prior to the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date.

Section 10.03 Notice of Redemption by the Company.

Notice of redemption pursuant to Section 10.01 shall be given by first-class mail, postage prepaid, mailed not less than 15 days prior to the applicable Redemption Date, to each Holder of Notes whose Notes are to be redeemed, at his address in the Note Register.

All notices of redemption shall state:

- (1) the Redemption Date;
- (2) the Redemption Price;
- (3) that on the Redemption Date, the Redemption Price will become due and payable upon each such Note, and that interest thereon shall cease to accrue on such date; and
- (4) the place where such Notes are to be surrendered within 60 days after payment of the Redemption Price.

Notice of redemption of Notes shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Note.

Section 10.04 Deposit of the Redemption Price.

On or before the Business Day next preceding any Redemption Date, the Company shall deposit with the Trustee or with the Paying Agent an amount of monies sufficient to pay the Redemption Price of all Notes which are to be redeemed on such Redemption Date (less any

portion of such payment to be made from monies in the Collection Account for the Series of Notes to be redeemed).

In the case of a redemption pursuant to which a sale under Section 10.06 is to be held, on or before the Business Day next preceding the related Redemption Date, the Company shall deposit with the Trustee or with the Paying Agent an amount of money equal to at least the remaining principal amount of the Notes to be redeemed on the related Redemption Date plus one month's interest.

Section 10.05 Notes Payable on Redemption Date.

Notice of redemption having been given as provided in Section 10.03, the Notes to be redeemed shall, on the applicable Redemption Date, become due and payable at the Redemption Price and on such Redemption Date (unless the Company shall default in the payment of the Redemption Price) such Notes shall cease to bear interest. The Holders of such Notes shall be paid the Redemption Price by the Paying Agent on behalf of the Company on the Redemption Date; provided, however, that installments of principal and interest which are due on or prior to the Redemption Date shall be payable to the Holders of such Notes registered as such on the relevant Record Dates according to their terms and the provisions of Section 3.08.

If the Holders of any Note called for redemption shall not be so paid the principal and premium, if any, shall, until paid, bear interest from the Redemption Date at the related Note Interest Rate.

Section 10.06 Sale for Purposes of Redemption.

(a) Upon Company Order, the Company may direct the Servicer to sell all or some of the Lease Receivables securing a particular Series on behalf of the Company for the purpose of redeeming all Notes of such Series which may be redeemed in accordance with Section 10.01. The Company Order shall (i) specify the time and place of the sale, terms and the manner in which the sale is to be conducted and (ii) be accompanied by an Officer's Certificate certifying that no Event of Default under the Indenture with respect to the Series of Notes to be redeemed is continuing. The date of any such sale

shall be in the same calendar month as, and prior to, the Redemption Date. Upon receipt of such Company Order, the Servicer shall employ its best efforts to sell the Lease Receivables securing the Notes of such Series on the terms and conditions specified therein; provided, however, the Servicer may only sell such Lease Receivables if (x) no Event of Default with respect to the Notes collateralized by such Lease Receivables shall be continuing, (y) the amounts required to have been deposited with the Trustee or a Paying Agent pursuant to Section 10.04 shall have been so deposited, and (z) the monies provided by such sale together with the deposit, if any, pursuant to Section 10.04 is sufficient to pay the Redemption Price of the Notes and all other amounts owing under this Indenture including but not limited to the fees and expenses of the Servicer and the Trustee in connection with such sale. The Servicer shall deposit all proceeds from such sale (net of the Servicer's and the Trustee's fees and expenses in connection with such sale) in the Collection Account.

(b) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Lease Receivables securing the Notes of a particular Series in connection with a sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Company to transfer and convey the Company's interest in any portion of such Lease Receivables in connection with a sale thereof, and to take all action necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, inquire into the satisfaction of any conditions precedent or to see to the application of any monies.

If at any time the Company shall fail to maintain any such office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Trustee and the Company hereby appoints the Trustee, its agent to receive all such presentations, surrenders, notices and demands.

Section 11.03 Money for Note Payments to be Held in Trust.

The Company shall, on or before the second Business Day next preceding each Payment Date, deposit or cause to be deposited into the Collection Account for the related Series a sum sufficient to pay the principal and interest so becoming due, such sum to be held in trust for the benefit of the Noteholders entitled to such principal and interest, and the Company will promptly notify the Trustee of its action or failure so to act.

If there is any Paying Agent other than the Trustee, the Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that, subject to the provisions of this Section, such Paying Agent will:

(1) hold all sums held by it for the payment of principal of or interest on Notes in trust for the benefit of the Noteholders entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any Default by the Company (or any other obligor upon the Notes) in

the making of any payment of principal or interest;
and

(3) at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent in trust for the payment of the principal or interest on any Note and remaining unclaimed for six years after such principal or interest has become due and payable shall be paid to the Company on Company Request or if then held by the Company shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, and subject to any applicable statute of limitations, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the city in which the Corporate Trust Office is located, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company. The Trustee may also adopt and employ, at the expense of the Company, any other reasonable means of notification of such repayment (including, but not limited to, mailing notice of such repayment to Noteholders whose right to or interest in monies due and payable but not claimed is determinable from the records of any Paying Agent, at the

last address as shown on the Note Register for each such Noteholder).

Section 11.04 Corporate Existence.

The Company will keep in full effect its existence, rights and franchises as a corporation under the laws of the State of Delaware (unless it becomes incorporated under the laws of any other State or the United States of America, in which case the Company will keep in full effect its existence, rights and franchises as a corporation under the laws of such other jurisdiction), will operate in accordance with, and subject to the limitations set forth in, its certificate of incorporation, and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture or the Notes.

Section 11.05 Protection of Trust Estate.

The Company will from time to time execute and deliver all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments as are necessary to protect the Trust Estate, and will take such other actions as the Trustee reasonably deems necessary or advisable to:

(i) Grant more effectively all or any portion of the Trust Estate;

(ii) maintain or preserve the lien of this Indenture or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of, or protect the validity of any Grant made or to be made by this Indenture;

(iv) enforce any of the Lease Receivables or, where appropriate, any security interest in the Collateral and the proceeds thereof; or

(v) preserve and defend title to the Trust Estate and the rights of the Trustee and the Noteholders therein against the claims of all Persons and parties.

If an Event of Default shall have occurred and be continuing, the Company hereby irrevocably designates the Trustee, its agent and attorney-in-fact to execute any financing statement, continuation statement or other instrument required pursuant to this Section 11.05.

Section 11.06 Negative Covenants.

The Company will not:

(i) sell, transfer, exchange or otherwise dispose of any of the Trust Estate with respect to each Series (except as expressly permitted by Section 10.06 and except as provided in Sections 12.06 and 12.07);

(ii) claim any credit on, or make any deduction from, the principal or interest payable in respect of the Notes by reason of the payment of any taxes levied or assessed upon any of the Trust Estate;

(iii) amend its Certificate of Incorporation without the consent of the holders of not less than 100% of the aggregate principal amount of the Outstanding Notes of each Series then Outstanding, except with respect to minor amendments to Articles First and Second of such Certificate of Incorporation;

(iv) as to the initial issuance of the Notes under this Indenture, issue such Notes unless such Notes have been rated at least BBB by Standard & Poor's Corporation; nor will the Company, as to any subsequent incurrence of debt pursuant to any other notes, bonds, securities, or other obligations ("Other Credit Obligations") incur any such Other Credit Obligations unless (w) the principal and interest payable on such Other Credit Obligations are payable to the lender with respect to such Other Credit Obligations solely from the proceeds of the property pledged as security

therefor (which shall not be part of the Collateral for any Series) or represented thereby and do not constitute a claim against the Company to the extent such proceeds are insufficient to pay such debt, (x) such Other Credit Obligations are fully guaranteed by Rail and fully subordinated to the Notes in terms of payment and liquidation priority and to any fees or other amounts payable in connection with the Notes (unless the issuance of such Other Credit Obligations which are not subordinated to the Notes would not cause a downgrading of the rating of the Notes as evidenced by a certificate from the Rating Agency provided to the Trustee by the Company), (y) the lender with respect to such Other Credit Obligations enters into an agreement with the Company and the Trustee for the benefit of the Noteholders in form and substance acceptable to the Noteholders relating to the lender's rights and obligations in connection with subclauses (w) and (x) hereof and (z) the creditors with respect to such Other Credit Obligations agree not to file an involuntary petition in bankruptcy against the Company,

(v) (a) permit the validity or effectiveness of this Indenture or any Grant under the related Supplement to be impaired, or permit this Indenture to be amended, hypothecated, subordinated, terminated or discharged with respect to any Series, or permit any Person to be released from any covenants or obligations with respect to such Series under this Indenture, except as may be expressly permitted hereby and thereby, (b) permit any lien, charge, security interest, mortgage or other encumbrances to be created on or extended to or otherwise arise upon or burden the Trust Estate for such Series or any part thereof or any interest therein or the proceeds thereof or incur any indebtedness other than Notes pursuant to paragraph (iv) above, unless such indebtedness shall not adversely affect the rating on the initial issuance of Notes under this Indenture as evidenced by a certificate of the Rating Agency, or (c) permit this Indenture not to constitute a valid first priority security

interest in the Trust Estate securing such Series; or

(vi) dissolve or liquidate in whole or in part.

Section 11.07 Statement as to Compliance.

The Company will deliver to the Trustee, the Rating Agency, and to each holder of the Notes of the related Series, on or before each December 31 (commencing December 31, 1990), a written statement signed by the Chairman, the President, a Vice President, the Treasurer, or the Controller of the Company, stating, as to the signer thereof, that:

(1) a review of the activities of the Company during the preceding year and of performance under this Indenture has been made under his supervision, and

(2) the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such Default known to him and the nature and status thereof.

Section 11.08 Investment Company Act.

The Company will conduct its operations in a manner which will not subject it to registration as an "investment company" under the Investment Company Act of 1940.

Section 11.09 Enforcement of Servicing Agreement and Contribution Agreement.

The Company will take all actions necessary, and diligently pursue all remedies available to it, to the extent commercially reasonable, to enforce the obligations of the Servicer under the Servicing Agreement and Rail under the Contribution Agreement and to secure its rights thereunder.

Section 11.10 Company May Not Consolidate.

The Company shall not consolidate or merge with or into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person.

Section 11.11 Opinions as to Trust Estate.

On or before June 30 in each calendar year commencing with 1990, the Company shall furnish to the Trustee an Opinion of Counsel either stating that, in the opinion of such counsel, such action has been taken during the immediately preceding 12-month period with respect to the recording, filing, re-recording and re-filing of this Indenture, any indentures supplemental hereto and any other requisite documents, and with respect to the execution and filing of any financing statements and continuation statements as is necessary to maintain the lien and security interest created by this Indenture (except with respect to any portion of the Trust Estate securing a Series with a Delivery Date less than 120 days prior to the date of such Opinion of Counsel) and reciting the details of such action or stating that in the opinion of such counsel no such action is necessary to maintain such lien and security interest. Such Opinion of Counsel shall also describe the recording, filing, re-recording and re-filing of this Indenture, any indentures supplemental hereto and any other requisite documents and the execution and filing of any financing statements and continuation statements that will, in the opinion of such counsel, be required to maintain the lien and security interest of this Indenture until June 30 in the following calendar year.

Section 11.12 Performance of Obligations.

The Company will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations under any instrument included in the Trust Estate, or which would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument, except as expressly provided in this Indenture or the related Contribution Agreement or Servicing Agreement or such other instrument.

Section 11.13 Pro-Rata Purchases.

Neither the Company nor the Servicer will, directly or indirectly, through any Affiliate or otherwise, purchase or otherwise acquire (otherwise than by prepayment required or permitted by this Indenture) or solicit any offers to sell Notes of any Series except pursuant to invitation to tender Notes of such Series, at the same price, and the same terms, made concurrently to all Holders of Outstanding Notes of such Series.

Section 11.14 Single Series.

Notwithstanding any other provision of this Indenture, the Company will issue only one Series of Notes under this Indenture.

ARTICLE TWELVE

Section 12.01 Collection of Money.

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture and upon an Event of Default hereunder, which Event of Default has not been cured or otherwise waived as permitted hereunder, shall be responsible for directing the investment of such money in Eligible Investments, at its sole discretion, of the type specified in clause (ii) of the definition thereof; provided, however, that the Trustee shall not be responsible for any losses on such Eligible Investments relating to investments in any institutions other than itself. The Trustee shall hold all such money and property so received by it as part of the Trust Estate and shall apply it as provided in this Indenture. If any Customer Default, as defined in the Contribution Agreement, occurs in the making of any payment or performance under any Lease Receivable with respect to any Series, the Trustee, upon Company or Servicer request may, and upon the request of the Holders of a majority in principal amount of the Outstanding Notes of such Series shall, take such action as may be appropriate to enforce such payment or

performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and to proceed thereafter as provided in Article Six.

Section 12.02 Collection Account.

Prior to the Delivery Date for a Series, the Trustee shall open and maintain an account (the "Collection Account") in the trust department of the Trustee in the name of the Trustee, for the benefit of the Noteholders, for the receipt of Scheduled Payments on the Lease Receivables, payments made by Rail pursuant to the Contribution Agreement and by the Servicer and the Company pursuant to the Servicing Agreement, and all other payments to be deposited therein as provided in any Supplement, the Servicing Agreement or the Contribution Agreement. The Collection Account shall relate solely to the Notes of a Series, the Lease Receivables securing such Series, and Mileage Allowances related to Equipment securing a Series, and funds in such accounts shall not be commingled with any other monies. All payments to be made from time to time to the Noteholders of such Series out of funds in the Collection Account for such Series pursuant to this Indenture shall be made by the Paying Agent of the Company. The Servicer shall cause to be deposited in such Collection Account all Scheduled Payments of Lease Receivables and other required amounts received with respect to the Lease Receivables securing the Notes of such Series in accordance with the Servicing Agreement. All monies deposited from time to time in the Collection Account pursuant to this Indenture other than amounts withdrawable pursuant to Section 2.05(a) of the Servicing Agreement shall be held by the Trustee as part of the related Trust Estate as herein provided.

Monies in the Collection Account shall be subject to withdrawals pursuant to Section 13.01 of this Indenture.

Section 12.03 Spread Account.

(a) On or before the related Delivery Date with respect to a Series, the Company shall deposit the Specified Spread Account Balance into the Spread Account. All monies received by the Trustee pursuant to Sections 12.03(b) and 13.01 hereof with respect to a

Series, together with the initial deposit and any other monies deposited therein by the Trustee pursuant to the Servicing Agreement and any Eligible Investments in which such monies are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investment, shall be held by the Trustee in the Spread Account as part of the Trust Estate as security for such Series subject to disbursement and withdrawal as herein provided. Monies shall be subject to withdrawal in accordance with Subsections (d)(i) through (iii) and (e) of this Section 12.03.

(b) So long as no Event of Default has occurred and is continuing, upon Company Order all or a portion of the Spread Account for a Series shall be invested and reinvested at the Company's direction in one or more Eligible Investments provided that the balance of such account shall comply with Section 12.03(e). All income or other gain from such investments shall be credited to such Spread Account and any loss resulting from such investments shall be charged to such Spread Account provided, however, that the Company shall make or cause to be made on any Servicer Remittance Date a deposit to the Spread Account to the extent of any losses therein caused as a result of the Company's investment instructions provided for herein but only up to the Specified Spread Account Balance. To the extent specified in the Supplement for a Series, all or a portion of the income or other gain from such Eligible Investments in such Spread Account shall be paid to the Company or its designees as directed by a Company Order.

(c) If any amounts shall be needed for disbursement from the Spread Account for a Series as set forth in Section 12.03(d), the Trustee shall cause such investments of such Spread Account to be sold or otherwise converted to cash to the credit of such Spread Account. The Trustee shall not in any way be held liable by reason of the inability of the Trustee to make any required payment from such Spread Account because of any insufficiency of such Spread Account either resulting from any loss of investment in any Eligible Investment as herein provided or resulting from disbursements made pursuant to Section 12.03(d).

(d) Disbursements from the Spread Account for a Series shall be made, to the extent funds therefor are available, only as follows:

(i) in the event that the amount in the Collection Account at 3:00 p.m. New York time on the Servicer Remittance Date immediately preceding the related Payment Date, after taking into account any amounts required to be deposited into the Collection Account on such date pursuant to Sections 12.04(d)(ii) and 12.05(d)(i), is less than the sum of (I) the Aggregate Distribution Amount, (II) any Trustee Fees then due under Section 7.07(i) hereof and otherwise unpaid and (III) in the event that Rail is no longer the Servicer, any Servicing Fees then due and payable, the Trustee shall withdraw funds from the Spread Account on or prior to 4:00 p.m. New York time on the same day to the extent necessary to cover any such shortfall and deposit such funds into the Collection Account for disbursement to the appropriate parties;

(ii) in the event the Servicer or the Trustee acting as Substitute Servicer does not make an Advance to cover a Scheduled Payment not paid when due with respect to a Lease Receivable, the Trustee shall withdraw from the Spread Account an amount equal to such Scheduled Payment and deposit such amount into the Collection Account for payment to the Noteholders; and

(iii) immediately after the final payment of all principal, interest and premium, if any, due on the Notes and any other amounts payable under the Indenture, the Trustee shall withdraw funds from the Spread Account and disburse them as directed by Company Order.

(e) The Specified Spread Account Balance for the Spread Account for a Series shall be an amount set forth in the related Supplement on the Issue Date of such Series; provided, however, that if on any Payment Date the amount in the Spread Account, after giving effect to the distributions and withdrawals required pursuant to this Section 12.03 on the related

Servicer Remittance Date and the deposits into such account on such Payment Date, is greater than the Specified Spread Account Balance, the amount of such excess shall be distributed by the Trustee to or upon the order of the Company; provided, further, that upon Itel as Servicer becoming subject to a voluntary or involuntary bankruptcy proceeding pursuant to United States Code Title 11, no monies shall be disbursed from the Spread Account except in accordance with Section 12.03(d)(i) and (ii) hereof.

Section 12.04 Substitute Servicer Account.

(a) On or before the related Delivery Date with respect to a Series, the Company shall deposit a sum satisfactory to the rating agency rating the Notes into the Substitute Servicer Account. All monies received by the Trustee hereunder or pursuant to Section 2.03(a) of the Servicing Agreement with respect to a Series for deposit into the Substitute Servicer Account, together with the initial deposit, other monies deposited therein by the Trustee pursuant to the related Servicing Agreement and any Eligible Investments in which such monies are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investment, shall be held by the Trustee in the Substitute Servicer Account as part of the Trust Estate as security for such Series subject to disbursement and withdrawal as herein provided. Monies shall be subject to withdrawal in accordance with Subsections (d)(i) through (iv) and (e) of this Section 12.04.

(b) So long as no Event of Default has occurred and is continuing, upon Company Order all or a portion of the Substitute Servicer Account for a Series shall be invested and reinvested at the Company's direction in one or more Eligible Investments provided that the balance of such Account shall comply with Section 12.04(e). All income or other gain from such investments shall be credited to such Substitute Servicer Account and any loss resulting from such investments shall be charged to such Substitute Servicer Account; provided, however, that the Company shall make or cause to be made on any Servicer Remittance Date a deposit to the Substitute Servicer Account to the extent of any losses therein caused as a result of the Company's investment instructions provided for herein but only up to the Specified Substitute Servicer Account Balance. All or a portion of the income or other gain from such Eligi-

ble Investments in such Substitute Servicer Account for such Series shall be paid to the Company or its designees as directed by a Company Order, if and to the extent that the actual balance in the Spread Account equals the Specified Spread Account Balance.

(c) If any amounts invested as provided in Section 12.04(b) shall be needed for disbursement from the Substitute Servicer Account for a Series as set forth in Section 12.04(d), the Trustee shall cause a sufficient amount of such investments of such Substitute Servicer Account to be sold or otherwise converted to cash to the credit of such Substitute Servicer Account. The Trustee shall not in any way be held liable by reason of the inability of the Trustee to make any required payment from such Substitute Servicer Account because of any insufficiency of such Substitute Servicer Account either resulting from any loss of investment in any Eligible Investment as herein provided or resulting from disbursements made pursuant to Section 12.04(d).

(d) Disbursements from the Substitute Servicer Account for a Series shall be made, to the extent funds therefor are available, only as follows:

(i) in the event that Rail or any Substitute Servicer defaults in any of its obligations under the Lease Contracts to maintain or service any of the Equipment and such default is continuing for a period of 60 days after notice of such default has been delivered to Rail, the Trustee shall withdraw funds not to exceed \$15,000 from the Substitute Servicer Account and disburse such funds to the new Substitute Servicer so as to facilitate the transition of all servicing duties, rights and obligations to such Substitute Servicer; provided, however, that upon the consent of the holders of a majority in principal amount of the Outstanding Notes, the Trustee may withdraw such amount in excess of such \$15,000 as the Noteholders may authorize for such purpose; provided, however, that no such withdrawal shall be made if the balance in the Substitute Servicer Account after such withdrawal would fall to below \$985,000;

(ii) in the event that on any Servicer Remittance Date the balance in the Equipment Maintenance Account allocable to Abatements is zero, and any Customers are credited with Abatements during the Due Period immediately prior to a related Payment Date, then the Trustee shall withdraw funds from the Substitute Servicer Account in the amount of such Abatements and deposit such amounts into the Collection Account for payment to the Noteholders;

(iii) in the event that on any Servicer Remittance Date the balance in the Equipment Maintenance Account allocable to Abatements is zero, taking into account any amounts to be deposited on the immediately succeeding Payment Date, a Substitute Servicer has been appointed, and actual maintenance charges are incurred during the Due Period immediately prior to a related Payment Date, then the Trustee shall withdraw funds from the Substitute Servicer Account in the amount of such maintenance charges and reimburse the Substitute Servicer to the extent of such amounts; and

(iv) immediately after final payment of all principal, interest and premium, if any, due on the Notes and any other amounts payable under the Indenture, the Trustee shall withdraw funds from the Substitute Servicer Account and disburse them to or upon the order of the Company.

(e) The Specified Substitute Servicer Account Balance for a Series shall be equal to an amount set forth in the related Supplement on the Issue Date of such Series; provided however, that if on any Payment Date the amount in the Substitute Servicer Account, after giving effect to the distributions and withdrawals required pursuant to this Section 12.04 on the immediately preceding Servicer Remittance Date and the deposits into such account on such Payment Date, is greater than the Specified Substitute Servicer Account Balance, the amount of such excess shall be distributed by the Trustee to or upon the order of the Company.

Section 12.05 Equipment Maintenance Account.

(a) On each Payment Date, the Trustee shall withdraw from the Collection Account and deposit all Maintenance Fees due under the Servicing Agreement with respect to Full Service Lease Receivables that have been paid or as to which Advances have been made except for such Maintenance Fees which are used to reimburse the Servicer pursuant to Section 2.05(b)(i) of the Servicing Agreement, into the Equipment Maintenance Account to the extent necessary to cause the balance of the Equipment Maintenance Account to be equal to the Specified Equipment Maintenance Account Balance, and all such deposits and any Eligible Investments in which such monies are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investment, shall be held by the Trustee in the Equipment Maintenance Account as part of the Trust Estate as security for such Series subject to disbursement and withdrawal as herein provided. Monies shall be subject to withdrawal in accordance with Subsections (d)(i) through (iii) and (e) of this Section 12.05.

(b) So long as no Event of Default has occurred and is continuing, upon Company Order all or a portion of the Equipment Maintenance Account for a Series shall be invested and reinvested at the Company's direction in one or more Eligible Investments provided that the balance of such Account shall comply with Section 12.05(e). All income or other gain from such investments shall be credited to such Equipment Maintenance Account and any loss resulting from such investments shall be charged to such Equipment Maintenance Account. To the extent specified in the Supplement for a Series, all or a portion of the income or other gain from such Eligible Investments in such Equipment Maintenance Account for such Series shall be paid to the Company or its designees as directed by a Company Order. The Company shall make or cause to be made on any Servicer Remittance Date a deposit to the Equipment Maintenance Account to the extent of any losses therein caused as a result of the Company's investment instructions provided for herein but only up to the Specified Equipment Maintenance Account Balance.

(c) If any amounts invested as provided in Section 12.05(b) shall be needed for disbursement from the Equipment Maintenance Account for a Series as set forth in Section 12.05(d), the Trustee shall cause a sufficient amount of such investments of such Equipment Maintenance Account to be sold or otherwise converted to cash to the credit of such Equipment Maintenance Account. The Trustee shall not in any way be held liable by reason of the inability of the Trustee to make any required payment from such Equipment Maintenance Account because of any insufficiency of such Equipment Maintenance Account either resulting from any loss of investment in any Eligible Investment in accordance herewith or resulting from disbursements made pursuant to Section 12.05(d).

(d) Disbursements from the Equipment Maintenance Account for a Series shall be made, to the extent funds are available therefor on each Servicer Remittance Date only as follows:

(i) from amounts therein allocable to Abatement Allowances in accordance with the Servicing Agreement for any Series, to cover any deficiency in the Collection Account which results from the occurrence of any Abatement during the Due Period immediately preceding a related Payment Date;

(ii) from amounts therein allocable to Maintenance Allowances in accordance with the Servicing Agreement for any Series, to reimburse the Servicer for any actual maintenance expenses incurred in connection with the Equipment, to the extent not already paid directly from the Maintenance Fee for the relevant period; and

(iii) immediately after the final payment of all principal, interest and premium, if any due on the Notes and any other amounts due and payable under the Indenture, the Trustee shall withdraw funds from the Equipment Maintenance Account and disburse them to or upon the order of the Company.

(e) The Specified Equipment Maintenance Account Balance for a Series shall be equal to an amount set forth in the related Supplement on the Issue Date of such Series. If on any Payment Date the amount in the Equipment Maintenance Account, after giving effect to the distributions and withdrawals required pursuant to this Section 12.05 on the immediately preceding Servicer Remittance Date and the deposits into such account on such Payment Date, is greater than the Specified Equipment Maintenance Account Balance, the amount of such excess shall be distributed by the Trustee to or upon the order of the Company.

Section 12.06 Purchase of Lease Receivables.

(a) If at any time the Company or the Trustee discovers or is notified by the Servicer (i) that any of the representations and warranties of Rail in the Contribution Agreement were incorrect at the time as of which such representations and warranties were made, or (ii) that any of the other circumstances set forth in the Contribution Agreement that require a purchase or that result in a purchase (a "Purchase") of a Lease Receivable contributed, transferred and assigned pursuant to such Contribution Agreement have occurred, then the party discovering such defect, omission, or circumstance shall promptly notify the other parties.

(b) In the event any circumstances or condition causing any representation or warranty described in clause (i) of Subsection (a) of this Section 12.06 to be incorrect materially and adversely affects the interests of the Holders of the Notes of the related Series, then the Servicer shall, pursuant to the Servicing Agreement, require Rail pursuant to the Contribution Agreement to eliminate or otherwise cure such circumstance or condition within 30 days. If Rail fails or is unable to cure such circumstance or condition in accordance with the Contribution Agreement, then the Servicer shall require Rail to Purchase pursuant to the Contribution Agreement any Lease Receivable as to which such representation or warranty is incorrect within the time specified in Section 8.07 of the Contribution Agreement. Upon such Purchase the Trustee shall release the defective Lease Receivable from the lien of this Indenture pursuant to Section 12.07. The proceeds of a Purchase shall be deposited in the Servicing Account until required pursuant to the related Servicing Agreement to be

deposited into the Collection Account by the Servicer on the next succeeding Servicer Remittance Date.

(c) It is understood that, without limiting the meaning of the term "materially and adversely affects," the interest of the Noteholders shall be deemed materially and adversely affected if (i) the original Note Value of any Lease Receivable was less than the Note Value attributed thereto when the initial Estimated Amortization Schedule was derived, (ii) the Trustee or any of such Noteholders are put under any obligation to pay any other Person any sum of money as a result of any such circumstance or condition, or (iii) the Trustee or the Holders of Notes representing not less than 50% of the then aggregate principal amount of the Outstanding Notes of the related Series, acting reasonably, determine, by notice to the Company, that such circumstance or condition materially and adversely affects the interests of the Noteholders in and to any Lease Receivable. The interest of Noteholders shall not, however, be deemed "materially and adversely affected" by the incorrectness of the facts or circumstances represented and warranted in the Contribution Agreement with respect to any Lease Receivable unless (A) either of the situations described in clauses (i) or (ii) of the preceding sentence shall exist, (B) the related Customer shall assert such circumstance or condition as a defense in any Proceeding to enforce the Lease Contract or (C) the proceeds realized with respect to such Lease Receivable would be less than the Note Value of such Lease Receivable by reason of the incorrectness of such representation or warranty.

(d) If Rail shall be obligated to Purchase any Lease Receivable as the result of the occurrence of other circumstances specified in the Contribution Agreement or Servicing Agreement it shall Purchase such Lease Receivable at a purchase price calculated in accordance with the Contribution Agreement or Servicing Agreement, as the case may be. The Servicer shall deposit such amount in the Servicing Account within the time period specified in the related Contribution Agreement or Servicing Agreement, as the case may be, and upon such deposit, the Company shall be deemed to have complied with all requirements imposed upon it by this Section 12.06 with respect to such Lease Receivable.

Section 12.07 Releases.

(a) The Company shall be entitled to obtain a release from the lien of this Indenture of any Lease Receivable and related Equipment on the Payment Date immediately following (x) payment of the final Scheduled Payment with respect to such Lease Receivable or deposit into the Servicing Account of any Purchase Option Proceeds, Insurance Proceeds or Liquidation Proceeds, in each case, if a deposit to the Collection Account of the Note Value (without giving effect to clauses (w), (x), (y) or (z) of the definition thereof) plus accrued interest thereon of such Lease Receivable has been made and if at such time the balance in the Spread Account is at least equal to the Specified Spread Account Balance or (y) a deposit into the Collection Account of the Note Value (without giving effect to clauses (w), (x), (y) or (z) of the definition thereof) of such Lease Receivable in accordance with the requirements of Section 12.06(b) or (d), if (i) the balance in the Spread Account is equal to the Specified Spread Account Balance, and (ii) the Company delivers to the Trustee an Officer's Certificate (A) identifying the Lease Receivable and the related Lease Contract and Equipment to be released, (B) requesting the release thereof, (C) setting forth the amount deposited in the Collection Account with respect thereto, and (D) certifying that the amount deposited in the Collection Account equals the Note Value of the Lease Receivable plus accrued interest. If at the time when the lien of this Indenture would otherwise be released with respect to any Lease Receivable, the balance in the Spread Account is not equal to the Specified Spread Account Balance, all Liquidation Proceeds relating to such Lease Receivable and/or Equipment shall be deposited into the Spread Account in accordance with Section 13.01(c) hereof and thereafter the Company shall be entitled to obtain a release from the lien of the Indenture of any Lease Receivable and/or Equipment, if the Company delivers to the Trustee an Officer's Certificate (I) identifying the Equipment to be released and (II) requesting the release thereof and the balance in the Spread Account on the most recent Payment Date was equal to the Specified Spread Account Balance.

(b) Upon satisfaction of the conditions specified in Subsection (a), the Trustee shall release from the lien of this Indenture and deliver to or upon the order of the Company (or to or upon the order of

Rail, if it has satisfied the Company's obligations under Section 12.06 with respect to a Lease Receivable or Equipment to be released) the Lease Receivable (if any) and Equipment described in the Company's request for release.

(c) If, as a result of any payment made or drawn under any Credit Facility, the Trustee shall be required pursuant to the terms of such Credit Facility to assign the Lease Receivables and any lien on the related Equipment with respect to which such payment or draw relates, the Trustee shall assign, and thereby release from the lien of this Indenture, the Lease Receivables and any lien on the related Equipment to which such draw relates.

Section 12.08 Reports by Trustee to Noteholders.

In case at any time the Company, pursuant to a resolution of its Board of Directors, or the Holders of at least ten percent in aggregate principal amount of the Notes then outstanding, shall have requested the Trustee to call a meeting of Noteholders to take any action authorized in Section 14.01 by request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of such meeting within 20 days after receipt of such request, then the Company or the Holders of Notes in the amount above specified may determine the time and the place for such meeting, the record date for determining the Noteholders entitled to notice of or to vote at such meeting, and may call such meeting to take any action authorized in Section 14.01, by mailing notice thereof as provided in Section 14.02.

The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Noteholders shall be prepared by the secretary of the meeting and shall be attached to said record the original reports of the inspectors of

votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 14.02.
